

TIPS FOR THOSE WHO WANT TO USE BUSES IN MONTEVIDEO

- Rate UR\$ 38 (Uruguayan pesos)
- You can pay cash by requesting the common ticket (valid for one trip) or you can request the STM common card.
- With a single card you can buy multiple trips, so one user can travel with other people using the same card, paying the number of tickets equal to the number of people in the group (the group must stay with the cardholder).
- You can request one or two hours and you can make up to two trips within this time limit. You can purchase this card at STM's customer service locations (montevideo.gub.uy/locales-stm) by presenting your ID card or passport. The first time the card is issued, it is free.
- The "Como ir" ("How to go") website (montevideo.gub.uy/aplicacion/como-ir) can help you find bus lines from where you are to the Festival. You can also download, from the App Store of your phone, an app called "Como ir" (Montevideo DTI).
- Remember that the Youth Festival for Peace is on a Sunday, when bus lines are reduced (in the app you can choose the option of holidays and Sundays to see the schedule).
